North Carolina State University '17 – B.S Computer Science, Psychology Minor *Cum Laude*

Skill Level

⬤ High   ◖ Medium   ◣ Low

Skills and Certifications

Languages	**Tech Stacks**	**Other**
⬤ Java	⬤ Spring Boot	⬤ Cucumber | JUnit | Spock
⬤ Python	⬤ Angular	⬤ Postgres | MariaDB | SQL
⬤ HTML | CSS	⬤ Git	◖ Bootstrap | Bulma
⬤ Bash	◖ Flask	◣ Vue
◖ JavaScript | TypeScript	◖ Docker | Docker Compose	◣ SQLAlchemy
◖ C | C++ | C#	◖ Node.js	◣ PCF | AWS
	◖ JPA	

Experience

Fidelity Charitable   **April 2019 – Present**
- *Software Engineer.* Create and maintain software for www.fidelitycharitable.org, with a user and architecture first mindset. Additional development for multiple internal applications. Exposure to Spring Boot, Docker, AWS and Full Stack development.

Fidelity Investments   **January 2018 – April 2019**
- *Associate Software Engineer.* Tasked with piloting new technologies and software for Fidelity. Exposure to Docker, PCF, Angular, Postgres, and Full Stack development.

Volvo Group   **May 2017 – August 2017**
- *Software Support Intern.* Tasked with maintenance on current software in C# and VB.NET. Created a project tracking software from scratch using Microsoft Access, Windows Forms, and C#. Addressed bugs, created new functionality and upgraded the user interface for a regulatory software.

InMotionNow   **April 2016 – April 2017**
- *Quality Assurance Intern.* Testing products both front end and back end for errors and reporting to the development team. Unit testing in C# for backend product and Jasmine unit tests for front end TypeScript/JavaScript. Only intern in the Development department. Used JIRA & Atlassian tools.

Qualcomm   **Summer of 2013**
- *Intern.* Developed Android applications using Java to test new phone chips. Presented programs and data collected to developers that will aid in improving their product.

Outside Work

- **Singing** - Concert Singers of Cary \| NC State Chorale \| Grains of Time
- **Coding** – Playing around with new technologies I may not get exposure to at work
- **Hiking** \| **Music** \| **Running** \| **Camping** \| **Cooking** \| **Traveling**
